### YMCA NON-MEMBER PROGRAM PARTICIPATION POLICY

All non members who are entering the building to be spectators during a sports program must have a program day pass form on file with the YMCA front desk. Non-members are expected to enter and stay in the area where the program is being held. Any non-member or sibling of a non-member who wishes to enter the teen room or participate in unrelated activities inside the building, such as using either gym or swimming, must return to the front desk and purchase a Day Pass.

Any mistreatment of YMCA equipment or disruption of an event/activity or the act of not being in the designated area makes that person subject to expulsion from the designated area and/or returned to the parent involved with no further privileges during that activity that day. Repeated abuse of policy could result in being taken off of the non-member participant's pass list.
