CLASS DESCRIPTIONS (not all classes are listed on the schedule at this time) *FEE BASED CLASSES

CARDIO STRIKE: This class incorporates kickboxing with functional fitness moves promoting full body training, balance, and coordination. Each participant can expect to have a blast while being challenged to improve their overall fitness.

CORE & MORE: DISCOVER YOUR OWN STRENGTH. Come see what you are made of! This class features full body strengthening using a variety of equipment and moves to keep you guessing the entire workout. You will focus on developing core strength and engaging muscles you didn't know you had!

***DELAY THE DISEASE:** Optimize physical function and help delay the progression of symptoms associated with Parkinson's Disease.

GENTAL YOGA: This form of yoga teaches proper breathing, stretches, and calming restorative relaxation. This class is great for beginners. This class is streamed virtually that is displayed on a big screen tv and chairs are available if needed.

GERI-FIT: Geri-Fit increases muscular strength, boosts motor skills and reaction times, enhances flexibility, manages chronic diseases, and more. This is a 45-minute evidence-based class and participants will use light weights in a progressive setting with a certified instructor.

HYDRO-X: TAKE YOUR WORKOUT TO THE WATER. This class is to be enjoyed in water, while incorporating resistance moves and aerobic conditioning. This low impact, high intensity workout is easy on your joints and perfect for any fitness ability. Don't be fooled; you will work up a sweat during this heart pumping workout!

INTRODUCTION TO FITNESS: Learn how to utilize proper form and technique to strengt train specific muscles or groups of muscles. This beginner class is for everyone!

PICKLEBALL: This fun and friendly paddle sport combines elements of tennis, ping-pong, and badminton. The rules are simple and the game is easy for beginners to learn but can develop into a quick, fast-paced, & competitive game.

PURE PUMP: This class works all major muscle groups in a low impact but high intensity workout that will build muscle strength and endurance. Pure Pump is great for all fitness levels and abilities.

SILVER SNEAKERS CLASSIC: FOREVER YOUNG. Have fun and move to the music through a series of exercises designed to increase strength and activity level for daily living. Hand-held weights, elastic tubing w/ handles, and a Silver Sneakers ball are used for resistance. A chair may be used for seated and/or standing support.

SILVERSPLASH: Activate your aqua urge for variety! Silver Splash offers lots of fun with shallow water moves to improve agility, flexibility, and cardiovascular endurance. No swimming skills are required, and a special Silver Sneakers kickboard is used to develop strength, balance, and coordination. Two levels are available—one with weight and one without.

SPINNING / GROUP CYCLE: BIKE TO THE BURN. Spinning is one of the best cardio, leg, and abdominal exercises a person can do, while being easy on the knees. We show you how to properly set up your bike to ensure the safest and most comfortable ride. While most classes are great for all abilities, for the hard-core biking enthusiast, we offer two advanced classes per week.

TOTAL BODY CIRCUIT: This class engages all muscles groups in a variety of ways. You will use TRX straps, perform body weight exercises, and utilize our Kinesis line of machines. This class is perfect for all fitness levels.

WELLNESS CENTER MACHINE ORIENTATION: To help you get started in the Wellness Center, make sure you stop by the wellness desk to learn how each machine moves and functions, how to adjust the weight, and the initial set up of each machine. This orientation will ensure that you are using the machines safely and effectively.

YOGA: End Your Day the Right Way. This class helps you unwind from your hectic day by focusing on postural balance, breathing techniques, body awareness, and core strength. Come give your mind and body the rest it deserves.

YOUTH SPORTS PERFORMANCE: Wanting to increase your athletic performance? Our Monday and Wednesday classes focus on high volume and high intensity full body strength training and athletic balance. a variety of exercises for speed and agility. (Best for grades 5th-college age).
