Welcome to the Wabash County YMCA

Dear New Member:

Welcome! Thank you for becoming a member of the Wabash County YMCA. We are happy to have you as part of our family!

Founded in 1940 as Wabash Community Service, our organization has been strengthening the community to help improve the quality of life of our members and our community. In 2001, we chartered as the Wabash County YMCA and we moved into our beautiful facility in 2009.

Today, the Y continues its commitment to provide life changing programs and services that are relevant to our community. We strive to deliver on that commitment every day with programs, membership experiences, financial assistance, collaborations, and outreach initiatives that make the Wabash County YMCA an indispensable part of life for kids, families, and adults throughout the area.

I hope that you will take advantage of all of the opportunities your membership provides. The Y is unique. It's more than a place to go – it's a community organization that brings people from all walks of life together to connect with one another, makes lasting family memories, and improve the health and strength of all in our community.

Sincerely,
Dean Gogolewski, CEO

EMERGENCY PROCEDURES

For Your Safety

CLASS CANCELCATION OR FACILITY CLOSURE

The Wabash County YMCA reserves the right to close facilities due to inclement weather, natural disasters, or mechanical issues. Periodic maintenance may also limit member access to certain portions of the building. Programs and classes may be canceled and/or the YMCA may close facilities for these circumstances.

Closing of the YMCA facilities will be posted on the Wabash County YMCA website & Facebook page, pushed out via notification on the Wabash County YMCA Mobile App, and announced on local radio stations when possible. You can also call the Wabash County YMCA at 260.563.9622.

SEVERE WEATHER PROCEDURE

Generally, the YMCA will remain open during snowstorms. The YMCA's optimal goal is to remain open as long as safely possible. If the CEO determines that an early closure is merited, or in case the weather prohibits opening at all, he/she will notify the lead staff of the closure to implement the communication procedure to update the website, YMCA App, and Facebook. If possible, the phone system will be updated unless conditions do not permit onsite access to the phone system. The staff will monitor City and County snow alert levels for the purpose of making or changing the open/closed status of the building and its programs.

Wabash County Snow Alert Levels

Advisory – YELLOW

- The lowest level of local travel advisory means that routine travel or activities may be restricted in areas because of a hazardous situation, and individuals should use caution or avoid those areas. Programming and classes may be canceled at the discretion of directing staff.

Watch – ORANGE

- A Watch means that conditions are threatening to the safety of the public. During a "watch" local travel advisory, only essential travel, such as to and from work or in emergency situations, The YMCA will be open with limited staff and departments. Non-essential programming and classes will be suspended or canceled.

Warning – RED

- The highest level of local travel advisory, means that travel may be restricted to emergency management workers only. During a "Warning-Red" local travel advisory, individuals are directed to refrain from all travel. Therefore, the YMCA will be closed. Should EMA change the level from ORANGE to RED, the YMCA will close within one hour of the level declaration by Wabash County EMA.

Evacuation

All emergency exits are clearly marked; please familiarize yourself with their locations. Should an evacuation of the facility be required for any reason, follow the directions of the YMCA staff to ensure a safe and orderly exit from the building.

Tornado Warning

In the event of a shelter emergency, follow the directions of the YMCA staff to ensure a safe and orderly process. If there is a tornado warning, you may leave the building; if you stay, you must follow the instructions of the staff.

Incident Reports

In the event that first aid or corrective action is provided to you or for you, the staff responding is required to ensure that proper documentation is provided for our records.

Member Responsibility

Members are expected to assist us in an emergency by following the instructions from staff in order to resolve the situation as efficiently and safely as possible.

Staff on Duty

Support the YMCA

YOU CAN MAKE A DIFFERENCE !

Annual Support

The Wabash County YMCA is a non-profit, charitable organization. There are many good reasons to provide annual support for the Wabash County YMCA. We have a unique approach to our work with the community that always connects back to our mission. As a non-profit organization, your financial support helps to provide memberships and program participation for those in need. Each year, we provide tens of thousands of dollars in financial assistance to people in our community. On a yearly basis we seek our members' assistance in an Annual Support Campaign. Every dollar that you donate stays here in Wabash County to benefit your friends and neighbors. Please consider donating to help support our YMCA mission. Donations to enhance and continue programs are welcome and tax-deductible to the full extent of the law.

Endowment

Making a planned gift to the YMCA offers a flexible and simple way to combine philanthropy with financial planning. Planned gifts to the Y are about the future; your future and the future of children and families in our community. To meet your specific needs, a variety of gift options are available. While each planned gift is different, these gifts can offer significant financial or tax benefits while ensuring that future generations will benefit from the life-changing programs of the Wabash County YMCA. Please ask to speak with our VP of Mission Advancement or CEO if you have any questions.

Financial Assistance

Everyone belongs at the Y, regardless of ability to pay. We are committed to ensuring every community member, has access to our Y. Because of the Y's Financial Assistance Program, a family in need gains peace of mind knowing that their child is safe under our care, and teens interact with and receive support from caring mentors and individuals, and families receive needed social services.

Our Promise

No one is turned away from the YMCA due to an inability to pay. Your gift provides scholarships to 1 of 3 members at the Wabash County YMCA! We could not do this without the generous support of our donors and sponsors!

Volunteer

Volunteers are the backbone of our organization. Without volunteers we could not provide our community with the extensive services and programs we currently offer. Our YMCA offers year-round volunteer opportunities for members and non-members from the community and surrounding areas to give back and help build a better community within our Y.

You CAN make a difference. Apply to become a volunteer today. Applications are available at our front desk.
